

The Immaculata

Catholic School Tuition Assistance Program

The Immaculata parish is committed to making Catholic education more affordable for parishioners who need financial assistance. Parishioners may request tuition assistance from The Immaculata by completing a Tuition Assistance Application (on back). In order to ensure that parish funds are allocated fairly, the following requirements must be satisfied:

- ◆ Applicants must be the parent or legal guardian of the child.
- ◆ Applicants must be registered and verifiably practicing stewardship via time, talent, or treasure at The Immaculata for at least a year prior to applying.
- ◆ Applicants must already be enrolled in a Diocesan Catholic school and have applied for financial assistance, if available, at that school.
- ◆ Applicants must submit the application (one for each child) no later than June 1, 2023.
- ◆ Applicants may need to interview with the pastor or his delegate prior to being approved for tuition assistance.

Before assistance can be awarded, the child's school will be called to verify enrollment as well as any existing financial assistance. In addition, the following terms apply to all awards granted:

- ◆ Financial assistance will be awarded by the end of June 2023 for the upcoming academic year.
- ◆ Receiving financial assistance for one year does not guarantee award in future years.
- ◆ A new application must be submitted for each school year.
- ◆ Tuition assistance checks will be mailed directly to the school.

Please do not hesitate to call Janice Corbett at the parish office at (619) 574-5706 if you have any questions regarding our tuition assistance program.
